

Serie di elementi componibili, dritti e angolati, in diverse dimensioni per formare composizioni lineari e ad angolo, con grandi pouf e tavolini.

Realizzati con struttura in multistrati, imbottiture poliuretaniche a quote differenziate e sagomate con materassine in Dacron per una gradevole morbidezza.

Le basi rivestite in velluto di cotone nero Kvadrat con cuscinate di seduta e schienali in pelle bianca creano un contrasto armonioso mentre i cuscini danno morbidezza e sofficiatà.

I tavolini di servizio e da centro rivestiti in cuoio con piano di base in cristallo completano la serie.

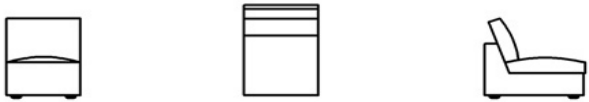

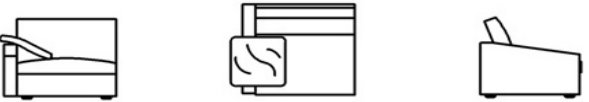

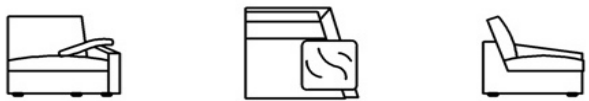

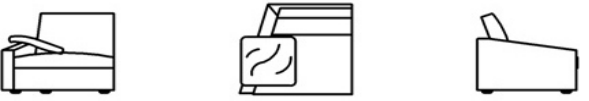

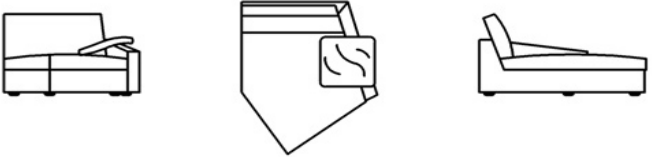

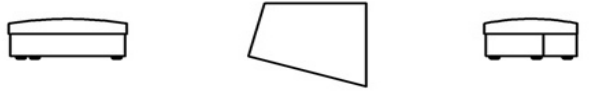

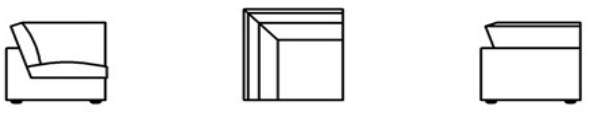

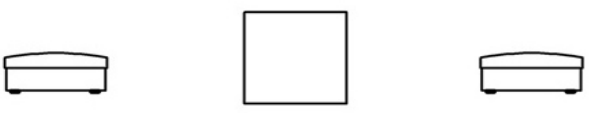

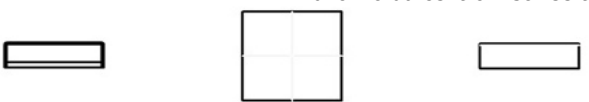

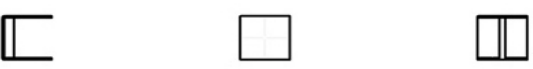

Series of modular elements, straight and angular, in numerous dimensions to form linear and angle compositions with large poufs and tables.

Structure in multilayered plywood, polyurethane padding in differentiated densities and shaped with Dacron Dupont for a great comfort. The base structure covered in Kvadrat cotton velvet with cushion seats and back rests in white leather creating a harmonius contrast while cushions provide softness and comfort. Side and coffee tables covered in saddle leather with crystal glass top provide the required finishing touch to this series.
